

Being a Design and Technology learner at ROMAN WAY PRIMARY SCHOOL

I can use a range of resources to make a product that I have designed.

I can evaluate what I have made by thinking about what worked and what can be improved.

I can use my own ideas and design with a purpose in mind.

I am a Design and
Technology
learner when.....

I will have a thorough knowledge of which tools, equipment and materials I will use to make my designed product.

I can learn about a range of techniques to help make a product for a purpose.
