Children and young people at Roman Way Primary School enjoy many rights. These include the right to be safe, enjoy and achieve and make a positive contribution to school life. Roman Way Primary School maintains a caring approach to children and any form of bullying, physical, verbal, racial, homophobic, sexist or other type of harassment will not be tolerated

What is bullying?

Bullying can be defined as a physical, psychological or verbal attack against an individual or group of individuals by a person or group of persons, causing physical or psychological harm to the victim. It is usually conscious and willful and commonly consists of repeated acts of aggression and/or manipulation. It can take a number of forms – both physical and non-physical, either in combination or in isolation. Any bullying, whether physical or non-physical, may result in lasting psychological damage to the individual.

Bullying generally falls into one or a combination of the following categories:

- **Physical Bullying** – Unprovoked assault on a person or group which can range from a 'prod' to grievous bodily harm.
- **Psychological** – Reduction of a person's self-esteem or confidence through threatening behaviour, taunting or teasing about race, gender, religion, sexual orientation, disability, family circumstances, appearance, or any other feature of their lives which can be used to wound or humiliate them.
- **Social**- Ostracism/rejection by peer group.
- **Verbal** – The use of language in a derogatory or offensive manner, such as swearing, racist or sexist abuse, sexual innuendo, spreading rumours, etc.
- **Cyber bullying** – Using mobile phones or the internet to deliberately upset someone.
- **Homophobic** – Any hostile or offensive action against lesbians, gay males, bisexuals or trans-gender people, or those perceived to be lesbian, gay, bisexual or trans-gender.

Objectives of this Policy

- To ensure that everyone in the school community have an understanding of what bullying is and how the school will deal with incidences of bullying
- To develop a listening caring ethos at Roman Way Primary School where any form of bullying is not tolerated and dealt with in the appropriate manner
- To encourage discussion and not make premature assumptions and to foster a problem solving approach
- The staff are made aware of the anti-bullying policy by the Senior Leadership Team and has access to where the policy is kept.

- Explore issues through the curriculum by PSHE, assemblies and Anti-bullying week.
- Support the bully and the victim in modifying behaviour

Procedures

• Children should report bullying incidents to available staff or someone who they can trust and this is to be recorded on Cpoms to monitor patterns. In cases of serious bullying, the incidents will be recorded by staff on CPOMS and investigated initially by the class teacher, followed by the following individuals if an incident is not resolved:

- Phase leader
- Deputy Headteacher/ SENCO
- Headteacher.

Any incident will be logged on Cpoms and passed immediately to the teacher who will ensure this matter has been resolved

- Parents must report any bullying incidences by contact the Headteacher directly. In serious cases, parents will be informed and will be asked to come in to a meeting to discuss the problem.
- The bullying behaviour or threats of bullying will be investigated and the bullying addressed.
- Appropriate feedback will be given to the parent reporting the bullying in a timely manner.
- The school accepts that any child could display bullying behaviour and as a school we have a moral imperative to help those doing so to change their behaviour.
- If necessary and appropriate, external agencies will be consulted to provide support.

Outcomes

- The school will investigate the incident.
- The child displaying bullying behaviour will be asked to genuinely apologise. Other consequences such as (a) an apology letter or (b) a written contract may be required.
- The school will aim to sort out differences and encourage the pupils to reconcile.
- In serious cases, parents will be informed in writing and suspension or even exclusion will be considered.
- After the incident / incidents have been investigated and dealt with, each case will be monitored to ensure repeated bullying does not take place and it will be considered that the incident/incidents are closed. The school strongly believes that all children can be bullied or a bully and as such all parties once an issue has been addressed should be allowed to move on from the issue at hand.

Prevention

We will use various methods for helping children to prevent bullying. This will include:

- Have a listening and caring ethos
- Encourage discussion and don't make premature assumptions
- Adopt a problem solving approach

- The staff are made aware of the anti-bullying policy by Senior Leadership Team and has access to where the policy is kept.
- Explore issues through the curriculum by PSHE, assemblies and Anti-bullying week.
- Support the bully and the victim in modifying behaviour
- Provide information through notice boards, posters and Child line.
- Provide support through playground buddies, friendship group and peer support.
- The anti-bullying policy works alongside the behaviour policy. This is discussed with the children in class so they are informed of the procedures
