**Every Child Matters
Every Moment Counts**

Newsletter Friday 16th January 2026

Dear Families,

Happy New Year to you all. What a start to the year we have had, with the excitement of snow greeting us as we returned! Since then, the rain has certainly set in, reminding us just how changeable the weather can be at this time of year.

Despite this, we have had a wonderful start to the term. The children have settled back into school life exceptionally well and have already begun getting their teeth into their new projects with enthusiasm and curiosity. More information about what your child is learning can be found on the class pages of our school website.

This week, we have been working closely with Hampshire County Council regarding the new school gate and the improved pathways to the school. Alongside this, we are planning lots of exciting competitions and new initiatives to promote health and wellbeing,

encourage being more active,
and make the most of the new and improved access to the school once it is in place. We are very excited about what this will bring for our school community.

I am also incredibly proud of our Year 6 pupils, who have completed their very first practice SATs under test conditions. They all tried their very best and showed great determination and resilience throughout. Well done, Year 6 – a fantastic effort.

Thank you, as always, for your continued support.

Warm regards,
Miss Cannell

Easyfundraising
